# Delete duplicate programs

⚠ **Issue**:

While conducting a search on the Connector to see if their program is listed, administrators might notice that there is a duplicate of their program showing up in the search.

✅ **Solution**:

Program and organization administrators can perform a program deletion on their own.

Please refer to this article of the Mentor Connector user guide:

**Edit Your Organization & Programs**

If you still need assistance, please reach out to Support (support@mentoringcanada.ca).
