Status update for pending programs

⚠ **Issue**:

This addresses program administrators who have created a program but are yet to receive feedback on its approval status.

✅ **Solution**:

At this moment, there is a waitlist for program approvals as this takes time.

We thank you for your patience and recommend that you keep checking your program's profile to confirm your approval status. You can log in to your program here.

However, if you have not heard from us in 10 business days, please contact us at **support@mentoringcanada.ca**
